

CSS Style Guide

This style guide is intended to be followed to keep the style between all the pages the same or similar but is not absolute and can be modified if needed. This document is not final and will likely be added to as the production of the program continues.

Text:

- Font size will be 20px
- Font style will be Helvetica
- Centered on all pages except the quiz pages where it will be left aligned

Body:

- Will have inner and outer properties
 - Outer part is light gray (#353535)
 - Inner part is dark gray (#282828)

Headers:

- Most will be 78px font size except for the title page which will be 40px
- Font style will be Helvetica
- Text will be centered at the top of each page
- Will have university logo at the top right corner of the inner part of the screen
 - Will have a width of 100px
 - Exception of the logo on the login page which will be centered under the header and have a width of 150px

Buttons:

- Round edges
- Dark purple color (#421663)
 - Transition to light purple when hovered over (#a46ef0)
 - Transition to bright red if it's a delete button on the admin quiz page (#f72020)

Links:

- White in color and will stay white after it's been clicked
- Color around the link will transition to light purple when hovered over (#a46ef0)

Extras:

- Logout button/link will always be in the bottom left corner of the screen

- Submit button will always be centered at the bottom of the screen
